Dear parent/guardian!

FIRST Robotics had their competition last Thursday, Friday, and Saturday. Congratulations to them for winning the safety award!

Good luck to our NUAMES "Mathletes" as they compete in the State Math Competition on Friday!

Boys State interviews will be held on Tuesday, March 21 and the boys will choose a time between 12 and 2:45 pm to be interviewed! Please sign up in the office!

AP Students! The AP test will cost \$95 this year...please pay for these in the office by March 17!

Ms. Bass will host a European Adventure Tour next Thursday, March 16 at 6:00 p.m. in building D-13, room 123. All students and parents enrolled in the tour are invited to attend. Please bring a color copy of your passport.

Current Juniors looking for a rigorous history course during their senior year might consider AP European History. If students score a three or higher on the College Board exam, they can earn six semester hours of university credit. 90-93% of Ms. Bass's students who took the test from 2013-present passed. This is over 40% higher than the national average. Talk to your counselor or Ms. Bass (D-13, room 123 or dbass@dmail.net) today!

Early College Students! There are 2 attachments to this email which explain the Early College Scholarship changes! Please review these carefully!

#### Message from Counselors

- Seniors - No seminar this month, you are welcome!
