Dear parent/guardian!

Congratulations to the Technology Student Association winners at last week's competition:

Nick Lee, Michael Wolford and Kathy Martinez will be going to Nationals in Orlando to represent NUAMES and the state in the Technology Bowl!! Elizabeth Wagstaff placed 3rd in TSA State for CAD Engineering!

The Prom will be held on April 29 at the Copper Nickel in Ogden! Tickets will be on sale after the Spring Break! Students can go as a couple, single, or a group! The dress is formal but that does not mean guys need to rent a tux! Many of our men have chosen a great shirt, tie and slacks and been very sharply dressed! We don't want Prom to be a budget breaker! More tips as the Prom gets closer!

Weber State International Banquet will be held on Saturday, March 25 at 6 PM in the Shepherd Union Ballroom. Cost is \$10 for WSU students, \$15 non-WSU individuals, and \$10 for children. There will be cultural performances, cuisine and a fashion show!

Current Juniors looking for a rigorous history course during their senior year might consider AP European History. If students score a three or higher on the College Board exam, they can earn six semester hours of university credit. 90-93% of Ms. Bass's students who took the test from 2013-present passed. This is over 40% higher than the national average. Talk to your counselor or Ms. Bass (D-13, room 123 or dbass@dsdmail.net) today!
